Aspiring Middle Leaders 2017/18

Understanding the role of the Middle Leader and the skills required

This programme is aimed at teachers aspiring to gain a Middle Leadership role. Delegates will be supported over the four sessions with input from Senior Leaders, experienced Heads of Department and Heads of Year. The aim of the programme is to develop a clearer understanding of what the role of the Middle Leader is, and to help delegates to develop the skills required to carry this out effectively. They will take part in a project within their own school to experience putting these skills into practice. The projects will meet the needs and context of each individual and will end with a personal coaching session.

The sessions will focus on the following themes:

- The role of the Middle Leader
- Management and Leadership
- Mentoring and Coaching
- Changing the practice of others
- Letters of application and interview
